

THE BRICK STREET BULLETIN

~ OCTOBER 2011 ~

Osgood Book Club

The Osgood Library Book Club has chosen its books. The Club will meet at 6:00 p.m. on Thursdays. Stop in at the library to pick up your copy of the book for discussion

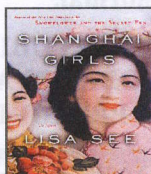

- November 3
- **Endurance:**
Shackleton's Incredible Voyage

- By: Alfred Lansing

Bernstein writes, "There are few rules or unwritten laws that are not broken when circumstances demand, and few distances that are too great to be traveled," about the figurative divide geographically... only a few yards, socially... miles and miles") keeping Jews and Christians apart in the poor Lancashire mill town in England where he was raised. In his affecting debut memoir, the nonagenarian gives voice to a childhood version of himself who witnesses his older sister's love for a Christian boy break down the invisible wall that kept Jewish families from Christians across the street. With little self-conscious authorial intervention, young Harry serves as a wide-eyed guide to a world since dismantled—where "snot rags" are handkerchiefs, children enter the workforce at 12 and religion bifurcates everything, including industry.

-
- December 1
 - **Shanghai Girls: A Novel**
 - By: Lisa See
